Re: Nordia, Inc. Annual Progress Report Regarding Waived TRS Standards
for Internet Protocol (IP) and Video Relay Service (VRS)
CG Docket No. 03-123

Dear Ms. Dortch:

This is written on behalf of Nordia (Nordia), to advise the Commission that, since June 30, 2006, Nordia has not sought reimbursement from the Telecommunications Relay Service (TRS) Fund for the provision of IP Relay Services. (Nordia has never directly offered Video Relay Service (VRS). Accordingly, it is Nordia's view that it is no longer required to file the above referenced annual progress report regarding waived TRS standards because the reporting requirement only applies to "IP Relay and VRS providers."

Since June 30, 2006, Nordia has furnished certain call center services to GoAmerica Communications Corp. (Go America) to support the provisions of IP Relay and other TRS services for which GoAmerica has sought reimbursement from the TRS Fund. Accordingly, it is Nordia's understanding that GoAmerica will be filing an annual progress report for 2007 regarding waived TRS standards for any services that may involve a Nordia input.
